Small-Bathroom Zone Plan

Give every item a home, six zones that fit even a tiny bath.

BATHROOM

GOAL DATE

Map each zone to a spot, then work the checklist to sort, label, and refill.

PAGE 2 OF 2 • ZONE PLAN

Where each zone lives

- Zone 1, Vertical: extra stock, towels, rarely-used items up high
- Zone 2, Countertop: only what you touch every day
- Zone 3, Under-sink: cleaning supplies, refills, tools
- Zone 4, Cabinet: first aid, medicine, small items
- Zone 5, Shower: wash, shampoo, shave in a caddy
- Zone 6, Linen: folded towels, robes, door hooks

Step 1 • Empty & Sort

one drawer at a time

- ☐ Pull everything out; wipe shelves
- ☐ Toss empties & expired products
- ☐ Check dates on meds & sunscreen
- ☐ Group like with like
- ☐ Set aside donate / relocate pile

Step 2 • Assign a Zone

match to the map

- ☐ Daily items → countertop (Zone 2)
- ☐ Backups & towels → up high (Zone 1)
- ☐ Cleaners & tools → under-sink (Zone 3)
- ☐ First aid → cabinet (Zone 4)
- ☐ Add a shower caddy (Zone 5)

Step 3 • Contain & Label

use page 1

- ☐ Add bins, baskets & drawer trays
- ☐ Cut & attach the printable labels
- ☐ Install a door or wall hook rack
- ☐ Decant refills into clear jars

Weekly Reset

2 minutes

- ☐ Return strays to their zone
- ☐ Restock paper & refill dispensers
- ☐ Swap in fresh towels

A small bathroom feels bigger the moment every item has a zone. Start with one drawer today, you don't have to finish it all at once.
