

Freezer Meal Plan

Know what's in there, waste less, cook once, eat easy.

MONTH

UPDATED

Log every item as it goes in. Fill the date frozen so the "use by" is easy to spot, cook the oldest first.

Prep Day & Labels

Batch-cook once, then peel, fill, and stick a label on every container.

PREP DATE

MEALS MADE

Work top to bottom: plan, shop, cook, cool, then label. Cool food fully before freezing so it keeps its texture.

Cut-Out Freezer Labels

fill in, cut along the dashes, tape to each container

Tip: always write the "use by" date, not just the date frozen, it's the number you'll actually read at 5 p.m.
