How Our Chart Works

- 1 Choose the jobs.** Pick 3–6 chores from the lists above and write them on page 1 together.
- 2 Do & check.** Each day, color a circle for every job finished — no reminders needed once it's a habit.
- 3 Earn stars.** A finished job earns a star. Color one in the Star Bank and watch them add up.
- 4 Celebrate.** Hit the star goal and unlock the reward — then start a fresh chart next week.
